✕ - Has been approved for this application.
* - Information is available upon request.

NOTES

It is not recommended to stagger any tile longer than 18" more than 1/3 the length of the tile.

Minimum Grout Joint Recommendation: 3/16"

Always inspect materials prior to installation.

Always mix 2-3 cartons at a time while installing to insure the best blend.

All product images are representative only. Variation in color and shading is to be expected. Final selection should be made from actual tile samples.
